BOARD MEETING:

Chairman Clegg declared there was not a quorum present because it is building safety week, and most members of the Board are in schools, teaching children the basics.

However, the Board has received their first appeal from the Fire Marshal's decision. A hearing will be ordered on it. Subcommittee or full committee can do this. A full hearing will be scheduled, copies of the complaint will be sent to each member. Wynn Arnold will give the Board a run-down of how we proceed. There will be no talking amongst the Board, until after both sides have been heard. Fire Marshal's office will present their side; the complainant will give their side. An Attorney represents the complainant. Marta Modigliani will represent the Fire Marshall. Questions amongst ourselves during the hearing will not be allowed.

CLOSE OF MEETING:

Chairman Clegg stating that regular Board business could not be conducted – concluded the meeting.
